

Travel and Expense Policy

1. Purpose

This policy sets the rules for business travel and expense claims.

2. Approval

All business travel must be approved in the travel portal by the reporting manager before booking. International travel also needs approval from the department head.

3. Air travel

Domestic flights must be booked in economy class. International flights longer than 8 hours may be booked in premium economy. Business class is not permitted unless approved by the CFO.

4. Hotels

The hotel limit is INR 7,000 per night in metro cities (Delhi NCR, Mumbai, Bengaluru, Chennai, Hyderabad, Kolkata) and INR 4,500 per night in all other cities.

5. Meals

The daily meal allowance during travel is INR 1,500 for domestic travel. For international travel it is USD 60 per day.

6. Local transport

Employees may use app-based cabs for business purposes. Personal car use is reimbursed at INR 12 per kilometre.

7. Expense claims

Expense claims must be submitted in the expense portal within 30 days of the expense date, with itemised receipts for any single expense above INR 500. Claims submitted later than 60 days will not be reimbursed.

8. Non-reimbursable expenses

Alcohol, personal entertainment, traffic fines and loyalty upgrades are not reimbursable.

9. Corporate card

Employees who travel more than 4 times a year may request a corporate card. Card statements must be reconciled within 15 days of the statement date.
