

Remote Work Policy

1. Purpose

This policy describes when and how employees may work remotely.

2. Eligibility

Employees who have completed their probation period of 6 months are eligible for hybrid work. Store and warehouse roles are not eligible because they require on-site presence.

3. Hybrid schedule

Eligible employees may work remotely up to 2 days per week. Tuesday and Thursday are anchor days when all hybrid employees work from the office.

4. Working from another city

Working remotely from another city within India for up to 4 weeks per year is allowed with manager approval. Working from outside India is not permitted because of tax and data protection rules.

5. Equipment and allowance

Hybrid employees receive a one-time home office allowance of INR 15,000 for a chair, desk or monitor, claimed through the expense portal.

6. Security

Remote work must follow the Information Security Policy. Company data may only be accessed on company-managed laptops connected through the corporate VPN.

7. Availability

Remote employees must be reachable on the company chat tool during core hours of 10:00 to 16:00 IST.

8. Review

Managers may withdraw remote work for performance reasons after a documented discussion with HR.
