

Data Privacy Policy

1. Purpose

This policy explains how Meridian protects personal data of customers and employees, in line with India's Digital Personal Data Protection Act, 2023 (DPDP Act).

2. Consent and purpose

Personal data is collected only for a stated purpose and with the consent of the person, except where the law allows otherwise. Data must not be reused for an unrelated purpose without fresh consent.

3. Data minimisation

Teams collect only the personal data they need. Aadhaar numbers must not be stored by any system unless required by law.

4. Retention

Customer order data is kept for 8 years for tax purposes. Customer support chat transcripts are kept for 2 years. CCTV footage in stores is kept for 30 days.

5. Rights of individuals

Customers may ask to access, correct or erase their personal data. Such requests must be completed within 30 days. Requests are logged by the Data Protection Officer.

6. Data breaches

Personal data breaches must be reported to the Data Protection Officer immediately, who decides on notification to the Data Protection Board and affected persons.

7. Vendors

Vendors who process personal data must sign a data processing agreement before receiving any data.

8. AI systems

Any AI system that processes customer personal data needs a privacy impact assessment approved by the Data Protection Officer before launch.
