

Procurement Policy

1. Purpose

This policy governs how Meridian buys goods and services.

2. Purchase thresholds

Purchases up to INR 50,000 need one quotation and manager approval. Purchases from INR 50,001 to INR 5,00,000 need three written quotations and department head approval. Purchases above INR 5,00,000 need a formal tender run by the procurement team and CFO approval.

3. Vendor onboarding

New vendors must complete onboarding in the vendor portal, including PAN, GST registration and bank details, before a purchase order is raised.

4. Purchase orders

No work may start without an approved purchase order. Invoices without a matching purchase order will not be paid.

5. Payment terms

Standard payment terms are 45 days from the invoice date. Registered micro and small enterprises are paid within 30 days.

6. Software and cloud services

All software, SaaS and AI services must be reviewed by IT security before purchase, regardless of value.

7. Conflicts of interest

Employees must declare any personal relationship with a vendor before taking part in a purchase decision.
